

THE WELL

ONE PLACE PLAN

We believe that each Christian is an ambassador of Christ. Like ambassadors, Christians should be thoughtful about the places in which God has established them as they intentionally reach out and represent Christ in those areas. To help aid your thinking around evangelism and mission, use this fillable worksheet to plan out your five areas of focus. Together we can push back darkness and spread the light of Christ beyond The Well to our communities and the city of Austin at large.
